### **WARNING**

- When operating power windows, be extremely careful to prevent anyone's fingers or head from being caught in the window.
- Always lock the passengers' windows using the lock switch when children are riding in the vehicle.
- Before leaving the vehicle, always be sure to remove the key from the ignition switch for safety if a child remains in the vehicle. Failure to follow this procedure could result in injury to a child operating the power window.

The power windows operate only when the ignition switch is in the "ON" position.
