

4. Control Valve and Harness Routing

B3M0106C

- |                                     |  |
|-------------------------------------|--|
| (1) Stay                            | (10) Lower separator gasket            |
| (2) Oil strainer                    | (11) Lower valve body                  |
| (3) Transmission harness            | (12) Duty solenoid B (Lock-up)         |
| (4) O-ring                          | (13) Pipe                              |
| (5) Duty solenoid A (Line pressure) | (14) Bracket                           |
| (6) Shift solenoid ASSY             | (15) Bracket                           |
| (7) Upper valve body                | (16) O-ring                            |
| (8) Ball                            | (17) Vehicle speed sensor 1 (FWD only) |
| (9) Upper separator gasket          |  |

- (18) Separator plate

**Tightening torque: N-m (kg-m, ft-lb)**

**T1: 7±1 (0.7±0.1, 5.1±0.7)**

**T2: 8±1 (0.8±0.1, 5.8±0.7)**

**T3: 11.3±1.5 (1.15±0.15, 8.3±1.1)**
